THIS BE A
PIRATE SPECIAL
FEATURE!

CAPTAIN ROCKHOPPER

Black-bearded buccaneer, treasure-seeker, story-teller and eater of stinky cheese. Yes, matesys, it be Rockhopper, the greatest penguin to ever sail the seven oceans!

Let's sail
the seas,
matesys!

AVAST! IT'S ME STORY!

Long, long ago, before you could order a spicy shrimp pizza at the Plaza, Rockhopper built a ship, **the Migrator**, with his very own flippers. The seas were as calm as a sleeping puffle when he set sail from Club Penguin, but quicker than you can shout "arrrrrrh!", a mighty, monstrous, malevolent storm broke out!

Luckily, Rockhopper is one of the most skilful sailors ever (who else can drink a barrel of cream soda, dance a jig and not feel seasick?) and he landed on an island full of fruit trees, which he named **Rockhopper Island**.

One day, whilst searching for treasure at sea, Rockhopper spied a red, fluffy thing, floating on a plank. It was a puffle, and Rockhopper named it **Yarr!** They had many adventures together and found bundles of treasure - so much, in fact, that they began transporting it to Club Penguin to sell.

Since then, the Captain regularly returns to Club Penguin, meeting penguins, telling stories and even setting up amazing events like the **Fair and Coins For Change**.

But the winds of adventure blow strong (at least we **hope** that's what the noise was) ... and Rockhopper and Yarr go wherever it takes them.

Autograph

-ROCKHOPPER

THE MIGRATOR

Rockhopper's ship is truly a valiant vessel, but did you know that she once got hit by an iceberg and sunk?

Gary the Gadget Guy came to the rescue, by inventing the Aqua Grabber to go underwater and retrieve the sunken bits of boat. With the help of many penguins, she was rebuilt good as new!

To read about Rockhopper's latest adventures, check the notice board in the Captain's Quarters

Rockhopper Island is about one month's sailing away from Club Penguin

Turn to page 14 for more capers from Rockhopper!

Rockhopper has seen all sorts of strange things at sea, including a wig-wearing octopus!

Did you know that Rockhopper invented the penguin dance?

Rockhopper introduced red puffles to Club Penguin

Once, Yarr went missing, and lots of penguins helped find him - he was discovered in a new room, the Cave Mine!

SECRETS

In the back of Rockhopper's journal you will find a special key that gives you access to the Captain's Quarters room on the Migrator.

Can I meet Rockhopper?
